INFO AND TIPS

- All measurements given are blocked (I used steam blocking method).
- Note that measurements are given as exact as possible. Crochet tension & technique might give variations in the result, that changes from person to person.
- Pattern is written as follows: XS (S, M, L, XL, 2XL, 3XL, 4XL, 5XL).
- The vest is designed to be worn with 4"- 6" (10 - 15 cm) of positive ease.
- If between sizes, size down for a fitted look or size up for an oversized look.
- The vest is made using two strands of yarn held together (Friends Kid Silk col. 81 + Friends Kid Silk col. 83).
- At the end of each row, the stitch count is given in parenthesis.
- CH 1 and CH 2 at the beginning of every row **don't count** as a stitch.
- I suggest making a 6"x 6" (15x15 cm) gauge swatch and checking measurements in the middle of the swatch. The pattern sequence consists of alternating two rows of SC sts and two rows of DC sts.
- Optional: put a stitch marker to mark the right side of work.

ROW 57 (57, 57, 61, 61, 61, 65, 65, 65): SC across. CH 1, turn. (13, 14, 16, 17, 19, 20, 18, 19, 19 sts)

ROW 58 (58, 58, 62, 62, 62, 66, 66, 66): SC2TOG, SC across. (12, 13, 15, 16, 18, 19, 17, 18, 18 sts)

Fasten off leaving enough yarn for seaming the shoulder to the back panel.

IT'S SEAMING TIME!

Leave back panel RS facing up and put on it the front panel with WS facing up. Seam shoulders together using a whip stitch (or your preferred sewing method), being careful to sew evenly the parts.

Sew the sides starting from the ribbing up to the armpit.

COLLAR

Turn vest right side out.

Attach new yarn at center back of neck opening. SC all around evenly, being careful to work 1 SC in each stitch on the back panel and 1 SC in each SC row + 2 SC in each DC row when working down and up the front panel. SL ST to first SC, CH 5.

ROW 1: SC in 2nd chain from hook and across, SL ST into first and second SC of back panel (4 sts). Turn your work so you're working back into the ribbing.

Note: *always skip the 2 SL STs when working back into the ribbing.*

ROW 2: SC BLO across, CH 1, turn. (4 sts)

ROW 3: SC BLO across, SL ST into next 2 SC on back panel, turn. (4 sts)

Continue Working ROW 2 and ROW 3 until no SC on back and front panel remain. Seam both ends of ribbing together to finish the collar.

ARMHOLES

Attach new yarn to the armpit. SC all around evenly, being careful to work 1 SC in each SC row and 2 SC in each DC row when working up and down the body panels. SL ST to first SC, CH 5.

ROW 1: SC in 2nd chain from hook and across, SL ST into first and second SC of body panel (4 sts). Turn your work so you're working back into the ribbing.

Note: always skip the 2 SL STs when working back into the ribbing (same method as per the collar)

ROW 2: SC BLO across, CH 1, turn. (4 sts)

ROW 3: SC BLO across, SL ST into next 2 SC on body panel, turn. (4 sts)

Continue Working ROW 2 and ROW 3 until no SC on body panels remain. Seam both ends of ribbing together to finish the armhole.

Repeat for the second armhole as well.

Weave in all loose ends.

Voilà! You've finished your vest!

Enjoy!
