

See My Vest - Worsted

This vest is designed to be super easy, and fun to knit, making it a great project for beginner garment knitters. With its relaxed and comfortable fit you will find yourself reaching for this vest often, and its simplicity makes it a fantastic wardrobe staple.

The pattern includes detailed instructions with some handy extra tips for newbies. Starting at the back shoulders, it is knit top-down on circular needles, which is a great method to check the fit as you go, and is very easy to add or subtract length. There are also some handy hints for picking up stitches for the neck and armbands, which you can apply any time you need to pick stitches up in future!

I hope you enjoy knitting your own See My Vest!

Emily

MATERIALS

- Sizes:** **XS (S, M, L, XL, 2XL, 3XL, 4XL, 5XL)**
- To Fit Bust:** **71-76 (81-86, 91-96, 101-106, 111-117, 122-127, 132-137, 142-147, 152-158)cm**
28-30 (32-34, 36-38, 40-42, 44-46, 48-50, 52-54, 56-58, 60-62) inches
- Finished Bust:** **76 (86, 96, 106, 116, 126, 136, 146, 156) cm**
30 (34, 38, 41.5, 45.5, 49.5, 53.5, 57.5, 61.5) inches
Designed to fit with between 0-3cm / 0-1.5" of positive ease depending on preferred fit
- Yarn:** 8ply to light 10ply / DK to Worsted weight yarn.
We used Woolly 8ply (100m/50g)
Another gorgeous option is to use a 4ply / fingering weight yarn held with 1 strand of lace mohair.
- Quantity:** Approximately **352 (414, 488, 539, 613, 690, 745, 850, 910) metres**

The fit of our sample is fairly cropped, but you can easily adjust the length.
If adding length to body, you will need approximately **20 (22, 25, 27, 30, 32, 35, 37, 40)** extra metres of yarn for every 2.5cm of length added.
- Needles:** **Body:** 4.50mm 60-100cm circular needles depending on pattern size.
Edging: 3.50mm 40cm (optional), 60cm, and 80-100cm circular needles.
If you don't mind the Magic Loop Technique, you can just use the longer needles.
Adjust needle size as necessary to match pattern gauge.
- Gauge:** 18 sts x 25 rows to 10cm in stocking stitch on larger needles
- Extras:** 1-2 stitch markers; a stitch holder, spare circular needles or scrap yarn for holding stitches
- Sample 1:** Is a size S, and was knit in Woolly 8ply. We added stripes by knitting 10 rows of each colour. We used the approximate quantities of each colour:
- 1.5 balls in Peachy Keen
- 1.5 balls in Quackers
- 2.5 balls in Punkin
- Sample 2:** Is a size M, and was knit in Heirloom Merino Fleck 8ply in col 6552 Linen.

NOTES

Construction

This vest is worked seamlessly from the top down. It starts by casting on stitches for the upper back, and working flat down to the underarm. You will then put those stitches on hold, and pick up separate stitches for the front shoulders to then shape the neckline. Next you will continue knitting the front down to match the back, and then join in the round to work the body. Once the body is finished, stitches will be picked up for the neckline and armholes to work the ribbed edges in the round.

Stocking Stitch

The body of this vest is worked in Stocking Stitch, which is worked as follows when mentioned in the pattern:

Stocking Stitch Knit Flat

R1 (RS): Knit to end.

R2 (WS): Purl to end.

Stocking Stitch Knit in the round

R1 (RS): Knit to end.

Stripes

If you are keen to add some stripes to your vest like we have, it is very easy to do so! We knit our stripes 4cm wide, or about 10 rows, before changing colour. But you can knit yours as wide or narrow as you would like - now is your time to get creative!

PATTERN

Back

Using 4.50mm needles, cast on **58 (60, 62, 64, 66, 66, 68, 68, 72)** sts using the long-tail cast on or your preferred method.

Work flat in Stocking Stitch until work measures **23 (23, 21.5, 21, 20, 21.5, 21.5, 22.5, 23)** cm from cast on edge.

We will now Increase 1 stitch at each edge to shape the armholes as follows:

R1 (RS): K1, m1l, k to last stitch, m1r, k1. (2 stitches increased)

R2 (WS): Purl to end.

Work R1 and R2 **1 (2, 6, 9, 11, 6, 6, 5, 4)** more times.

Sizes XL, 2XL, **3XL, 4XL and 5XL** only:

R3 (RS): K1, m1l, k to last stitch, m1r, k1. (2 stitches increased)

R4 (WS): P1, m1rp, p to last stitch, m1lp, p1. (2 stitches increased)

Work R3 and R4 - **(-, -, -, 0, 5, 6, 9, 10)** more times.

62 (66, 76, 84, 94, 104, 110, 120, 126) Back stitches after shaping.

Cut yarn and place all back stitches on hold by transferring them to a long piece of scrap yarn, or a spare circular needle.

Left Front (as worn)

Using 4.50mm needles, with right side of fabric facing you and starting **13 (14, 14, 14, 15, 13, 14, 13, 14)** sts away from the left-most edge, pick up and knit **13 (14, 14, 14, 15, 13, 14, 13, 14)** sts along the cast on edge of the Back.

Work flat in Stocking Stitch until work measures **5 (5, 5.5, 5.5, 5.5, 5.5, 6.5, 5.5, 5.5)**cm from shoulder edge.

We will now shape the Left Front Neck.

R1 (RS): K1, m1l, k to end. (1 stitch increased)

R2 (WS): Purl to end.

Work R1 and R2 **8 (8, 8, 9, 9, 10, 10, 11, 11)** more times.

22 (23, 23, 24, 25, 24, 25, 25, 26) stitches for Left Front.

Cut yarn, but leave the Left Front stitches on hold on your current needle to be worked again soon. But if these stitches feel like they are in the way, feel free to pop them on a holder.

Right Front (as worn)

Using your 4.50mm needles and with right side of fabric facing you, pick up and knit **13 (14, 14, 14, 15, 13, 14, 13, 14)** sts along the cast on edge of the Back, starting from the right-most stitch.

Work flat in Stocking Stitch until work measures **5 (5, 5.5, 5.5, 5.5, 5.5, 6.5, 5.5, 5.5)**cm from shoulder edge.

We will now shape the Right Front Neck

R1 (RS): Knit to last st, m1r, k1. (1 stitch increased)

R2 (WS): Purl to end.

Work R1 and R2 **8 (8, 8, 9, 9, 10, 10, 11, 11)** more times.

22 (23, 23, 24, 25, 24, 25, 25, 26) stitches for Right Front.

We will now join both of the fronts together to complete our neckline.

Next (RS): Knit across Right Front stitches, then using backward loop cast on or your preferred method, cast on **14 (14, 16, 16, 16, 18, 18, 20)** stitches, now knit across all held Left Front stitches.

Next (WS): Purl to end.

58 (60, 62, 64, 66, 66, 68, 68, 72) total Front stitches.

Work flat in Stocking Stitch until work measures **23 (23, 21.5, 21, 20, 21.5, 21.5, 22.5, 23)**cm from shoulder edge.

We will now increase 1 stitch at each edge to shape the armholes as follows:

R1 (RS): K1, m1l, k to last stitch, m1r, k1. (2 stitches increased)

R2 (WS): Purl to end.

Work R1 and R2 **1 (2, 6, 9, 11, 6, 6, 5, 4)** more times.

Sizes XL, 2XL, **3XL, 4XL and 5XL** only:

R3 (RS): K1, m1l, k to last stitch, m1r, k1. (2 stitches increased)

R4 (WS): P1, m1rp, p to last stitch, m1lp, p1. (2 stitches increased)

Work R3 and R4 - **(-, -, -, 0, 5, 6, 9, 10)** more times.

62 (66, 76, 84, 94, 104, 110, 120, 126) Front stitches after shaping.

Body

It is time to join the fronts and backs together, which means we will now be working the body in the round.

If your Back stitches are held on scrap yarn, transfer them onto your left working needle when instructed to knit across them. Otherwise, if they're on a spare needle you can work from it directly. But either way, make sure your work is facing right side up, and the stitches aren't twisted when you join!

Next (RS): [Knit across the Front stitches, then using backward loop cast on, cast on **6 (10, 10, 10, 10, 10, 12, 12, 14)** sts for the left underarm, knit across all Back stitches, cast on **3 (5, 5, 5, 5, 5, 6, 6, 7)** sts for the right underarm, place a stitch marker for new beginning of round, then cast on **3 (5, 5, 5, 5, 5, 6, 6, 7)** more sts. Join sts for working in the round and knit to the end. (2 rounds worked)

136 (152, 172, 188, 208, 228, 244, 264, 280) total body stitches.

Work in the round in Stocking Stitch until work measures **16.5 (18.5, 18.5, 17, 16.5, 16.5, 16, 16, 16)**cm from underarm cast on, or until 5-6cm less than desired length.

This is a great place to try your garment on to check the fit! Just slip roughly half of the body stitches onto a spare, long circular needle or piece of scrap yarn, and try it on to see how it's going. It's a great chance to tailor the length to fit your own body!

You can now choose between a standard ribbed hem, or a split hem. Just follow the relevant instructions below.

Hem - Standard Hem

Change to smaller needles.

R1: [k1, p1] repeat to end.

Repeat this row until ribbing measures 5-6cm long, or desired length.

Bind off all stitches using a stretchy bind off. Our preferred bind off method for edges is a Decrease Bind Off like this one <https://www.interweave.com/article/knitting/a-stretchier-bind-off/> But you can use whatever bind off you like most!

Hem - Split Hem

Change to smaller needles.

Setup (RS): ssk, [p1, k1] across next **66 (74, 84, 92, 102, 112, 120, 130, 138)** sts, turn.
(1 stitch decreased)

67 (75, 85, 93, 103, 113, 121, 131, 139) stitches for the front half of the Split Hem. You will now work these active stitches flat, leaving the rest on hold on your other needle for later.

R1 (WS): [p1, k1] repeat to last stitch, p1.

R2 (RS): [k1, p1] repeat to last stitch, k1.

Repeat these two rows until ribbing measures 5-6cm long, or desired length.

Bind off, then repeat for the remaining body stitches, starting with the Setup row.

Neckband

It is now time to pick up stitches to work the Neckband. Stitches will be picked up at a rate of 1:1 for horizontal edges along the Back Neck, as well as those cast on at the Front Neck. And at a rate of 3:4 for the vertical edges of the straight side and shaping sections of the Front Neck. This means you will aim to pick up 3sts, then skip the 4th along those sections. These stitch counts are just a guide, and don't have to be perfect.

We have some handy links at the end of this pattern!

Using smaller needles, with right side facing you and beginning at the start of the Back Neck, aim to pick up and knit the following:

32 (32, 34, 36, 36, 40, 40, 42, 44) sts along Back Neck Cast on,

9 (9, 11, 11, 11, 11, 12, 11, 11) sts along straight edge of Left Front Neck,

14 (14, 14, 15, 15, 17, 17, 18, 18) sts along Left Neck Shaping,

14 (14, 16, 16, 16, 18, 18, 18, 20) sts along Centre Front Cast On,

14 (14, 14, 15, 15, 17, 17, 18, 18) sts along Right Neck Shaping,

9 (9, 11, 11, 11, 11, 12, 11, 11) sts along straight edge of Right Front Neck.

Place a marker and join for working in the round.

You should have approximately **90-92 (90-92, 98-100, 102-104, 102-104, 112-114, 114-116, 116-118, 120-122)** sts total.

Don't stress too much if your stitches aren't a perfect match, as you can make a sneaky decrease or two on the next round if needed. Just make sure you have an even number of stitches for the ribbing!

R1: [k1, p1] repeat to end.

Repeat this row until ribbing measures **2 (2, 2.5, 2.5, 2.5, 3, 3, 3.5, 3.5)**cm, or desired length.

Bind off all stitches using a stretchy bind off.

Armbands

The Armbands will be worked like the Neckband using the same ratio of 1:1 for horizontal edges, and 3:4 for vertical edges. And remember, these stitch counts are just a guide.

Using smaller needles, with right side facing you and beginning at the start of the Underarm Cast On stitches, aim to pick up and knit the following:

6 (10, 10, 10, 10, 10, 12, 12, 14) sts along the Underarm Cast on,

3 (5, 11, 15, 20, 20, 21, 24, 24) sts along the Armhole Shaping,

44 (44, 41, 39, 38, 41, 41, 42, 44) sts along straight edge of Armhole to the shoulder "seam",

44 (44, 41, 39, 38, 41, 41, 42, 44) sts along straight edge of Armhole,

3 (5, 11, 15, 20, 20, 21, 24, 24) sts along the Armhole Shaping,

Place a marker and join for working in the round.

You should have approximately **98-100 (106-108, 112-114, 116-118, 124-126, 130-132, 134-136, 142-144, 148-150)** sts total.

Don't stress too much if your stitches aren't a perfect match, as you can make a sneaky decrease or two on the next round as needed. Just make sure you have an even number of stitches for the ribbing!

R1: [k1, p1] repeat to end.

Repeat this row until ribbing measures **2 (2, 2.5, 2.5, 2.5, 3, 3, 3.5, 3.5)**cm, or desired length.

Bind off all stitches using a stretchy bind off and repeat for the second Armband.

Now all you need to do is weave in any loose threads, and give your new vest a good block! (We have a blog post about all things Blocking on our [website](#) - it's easy peasy!)

ABBREVIATIONS

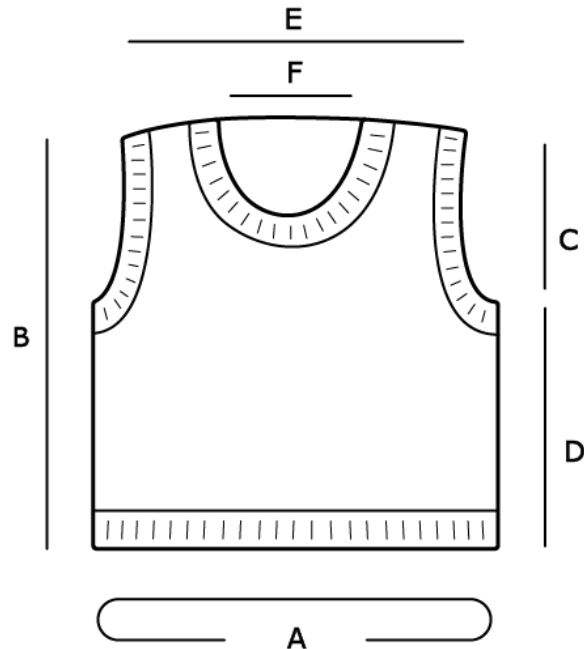

If there are any stitches or abbreviations that you are unsure of, just pop online and search for them! There are plenty of helpful videos and tutorials out there.

k	Knit
m1l	Make 1 left
m1r	Make 1 right
m1lp	Make 1 left purl
m1rp	Make 1 right purl
p	Purl
R1	Row 1
RS	Right side

FINISHED MEASUREMENTS

- A Bust circumference
76 (84, 96, 104, 116, 127, 136, 147, 156)cm
- B Total Body length
46 (49, 50.5, 51.5, 52.5, 54, 54.5, 57.5, 58)cm
- C Armhole Depth
22.5 (23.5, 24.5, 26.5, 28, 29, 29.5, 32, 32.5)cm
- D Lower Body Length
23.5 (25.5, 26, 25, 24.5, 25, 25, 25.5, 25.5)cm
- E Shoulder Width
35 (36, 38.5, 39.5, 40.5, 41.5, 42.5, 43.5, 46)cm
- F Back Neck Width
14 (15, 15, 16, 16, 17.5, 17.5, 18.5)cm

VIDEO LINKS

Here are some video links that you may find helpful for this pattern.

Decrease Bind Off

Our preferred bind off method for hems and necklines is a Decrease Bind Off like this one <https://www.interweave.com/article/knitting/a-stretchier-bind-off/>

It's a nice mix of stretchy, yet structured, whilst being super easy to do, but you can use whatever bind off you like most!

Picking up stitches

We love Purl Soho's video for picking up stitches. Perfect for picking up your neckband and armbands!

Here is their one for Vertical Stitches

<https://youtu.be/p9XQxUAvtMM>

As well as Horizontal stitches

https://youtu.be/_zlaUIG6zMg

Our website is makermakerstore.com

And you can find our other free patterns on Ravelry!
