My original yarn was in a cone (code 1400550) from shop woollyarn.com

Stich markers : 4

NEEDLES: Circular needles Nr. 5 - I recommend using cord cable lengths 40 cm and 80/100 cm

KNITTING TENSION:

gauge : 16 stitches x 24 rows (10x10 cm) - after wet blocking (washing, drying on flat surface, shaping)

The sample is knitted in stockinette stitch (knit 1 row, purl 1 row)

Important! If the gauge doesn't match to the given one:

1. If there is less than 10 cm in 16 stitches and 24 rows, I recommend to take 0,5 or 1 size larger needles.
2. If there is more than 10 cm in 16 stitches and 24 rows, I recommend to take 0,5 or 1 size smaller

Level – Beginners friendly to be able to cast on stitches and to knit and purl.

The piece is worked top down with shoulder raglan technique. Positive ease of the top approx. 6-8 cm.

RAGLAN:

Increase to raglan on each side of each marker-stitch as follows: BEFORE marker-stitch: Slip the yarn over onto the right needle as if to knit, place it back onto the left needle the other way round (twisted), knit the yarn over (twists away from the marker-stitch)..

AFTER marker-stitch: Knit the yarn over twisted (twists away from the marker-stitch).
