notions:

Darning needle, stitch markers.

construction:

Knit top-down, these socks are cast on at the cuff, then worked in the round to the heel.

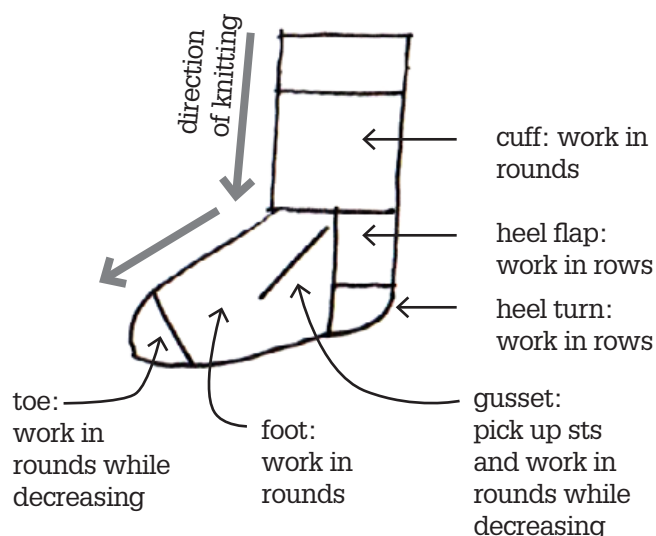

The heel is formed by working the heel flap back and forth in rows, then the heel turn is shaped by short rows which decrease and turn the corner.

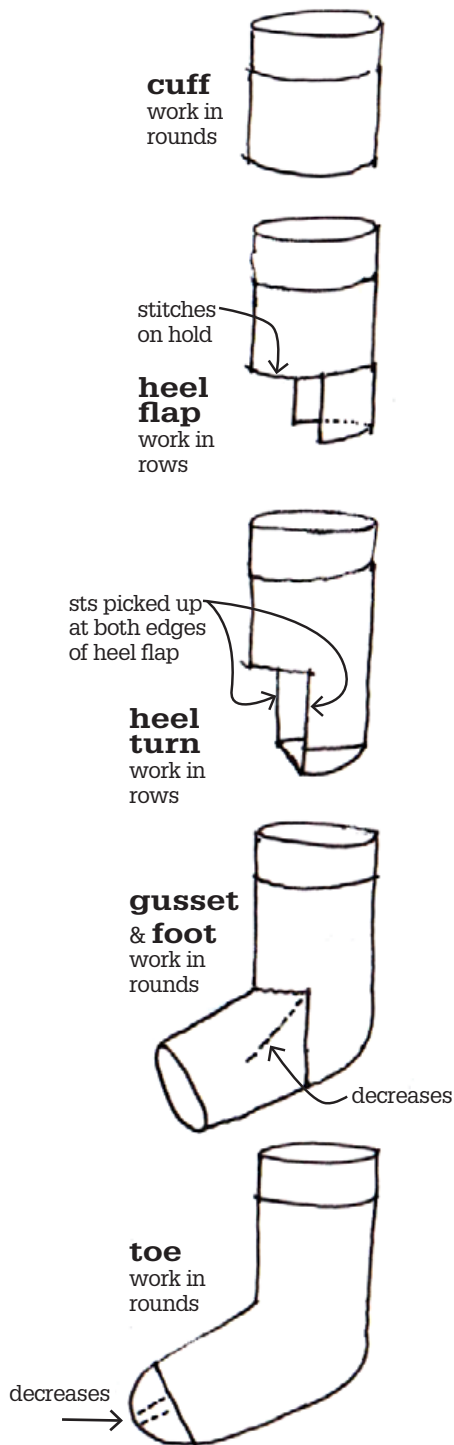

Stitches are picked up and knit along the sides of the heel flap, the work is joined into the round once more, and the gusset is worked in decreasing rounds.

The foot is worked in the round to the toe which is shaped by decreases, then closed by grafting.

rye sock construction:

cuff:

Using smaller needles cast on 36 (40, 44, 52, **60**, **64**, **72**) sts, PM and join for working in the round.

Work in 1x1 rib (*k1, p1*) for 0.5 (0.5, 1, 1, **1.5**, **1.5**, **1.5**)".

Change to larger needles.

Set-up round: k3 (3, 4, 4, **6**, **7**, **8**), p12 (14, 14, 18, **18**, **18**, **20**), knit to end

Round 1: knit

Round 2: k3 (3, 4, 4, **6**, **7**, **8**), p12 (14, 14, 18, **18**, **18**, **20**), knit to end

Work rounds 1-2 until cuff measures 2 (2.5, 4.5, 5.5, **6.5**, **7.5**, **8**)" from cast-on, ending with a round 2.

heel flap:

Set-up: k18 (20, 22, 26, **30**, **32**, **36**), place these stitches on hold. You will work the heel flap back and forth in rows over the next 18 (20, 22, 26, **30**, **32**, **36**) sts.

Row 1 (RS): sl1, knit to end

Row 2 (WS): sl1, purl to end

Work rows 1-2 a total of 8 (8, 10, 12, **14**, **16**, **18**) times. This is 16 (16, 20, 24, **28**, **32**, **36**) rows.

heel turn:

The heel is turned by working a series of short rows.

Set-up row 1 (RS): sl1, k10 (12, 12, 14, **16**, **18**, **20**), ssk, k1, turn work

Set-up row 2 (WS): sl1, p5 (7, 5, 5, **5**, **7**, **7**), p2tog, p1, turn work

Row 3 (RS): sl1, knit to 1 st before the gap, ssk, k1, turn work

Row 4 (WS): sl1, purl to 1 st before the gap, p2tog, p1, turn work

Work rows 3-4 a total of 2 (2, 3, 4, **5**, **5**, **6**) times - all sts have been worked, and 12 (14, 14, 16, **18**, **20**, **22**) sts remain.

Next row (RS): knit across these heel stitches.

gusset:

The sock gusset is formed by picking up stitches, then working in the round while decreasing.

Pick up and knit 10 (10, 12, 14, **16, 18, 20**) sts along the edge of the heel flap, PM,

work in pattern across top of foot, keeping the garter panel as established, PM,

pick up and knit the same number of sts as above along the other edge of heel flap,

k6 (7, 7, 8, **9, 10, 11**), place new BOR marker (located at the bottom of the foot).

[50 (54, 60, 70, **80, 88, 98**) sts]

Round 1: knit

Round 2: knit to 3 sts before marker, k2tog, k1, SM, work in pattern across top of foot to marker, SM, k1, ssk, knit to end [2 sts dec]

Work rounds 1-2 a total of 7 (7, 8, 9, **10, 12, 13**) times. This is 14 (14, 16, 18, **20, 24, 26**) rounds.

[36 (40, 44, 52, **60, 64, 72**) sts]

foot:

The foot is knit in rounds to desired length.

Shift beginning of round (BOR): remove marker, k9 (10, 11, 13, **15, 16, 18**) sts, replace BOR marker.

This is the new BOR, located at the side of the foot. Keep the second marker after the top of foot sts in place.

Continue working in the round, keeping the top of foot in pattern, until the piece measures 2.5 (3, 4, 6, **7, 8.5, 10**)" from back of heel or 0.75 (1, 1.25, 1.25, **1.25, 1.25, 1.5**)" short of desired foot length.

toe:

The toe is shaped by decreases, then grafted closed.

Round 1: [k1, ssk, knit to 3 sts before marker, k2tog, k1, SM] twice [4 sts dec]

Round 2: knit

Work rounds 1-2 a total of 4 (4, 5, 6, **6, 7, 8**) times. [20 (24, 24, 28, **36, 36, 40**) sts]

Work round 1 a further 2 (2, 2, 2, **4, 3, 4**) times. [12 (16, 16, 20, **20, 24, 24**) sts]

Cut yarn leaving a 12" tail. **Graft the toe closed.**

grafting:

Follow these easy steps for success! For more information on grafting, including a video, [check out our grafting tutorial here.](#)

To get started, place half the stitches on one needle, half the stitches on the other needle, cut yarn (leaving a 12" yarn tail) and thread through a blunt needle.

Set-up steps: insert blunt needle purlwise (back to front) through the first st on front needle, leaving the st on the needle. Then insert the blunt needle knitwise (front to back) through the first st on the back needle, leaving the st on the needle.

Step 1: insert needle knitwise through first st on front needle, then slip this st off the needle.

Step 2: insert needle purlwise through the second st on front needle, leaving the st on the needle.

Step 3: insert needle purlwise through first st on back needle, then drop this stitch off the needle.

Step 4: insert needle knitwise through second st on back needle, leaving the st on the needle.

From this point to the end, repeat steps 1-4. grafting requires concentration, but a rhythm will emerge:

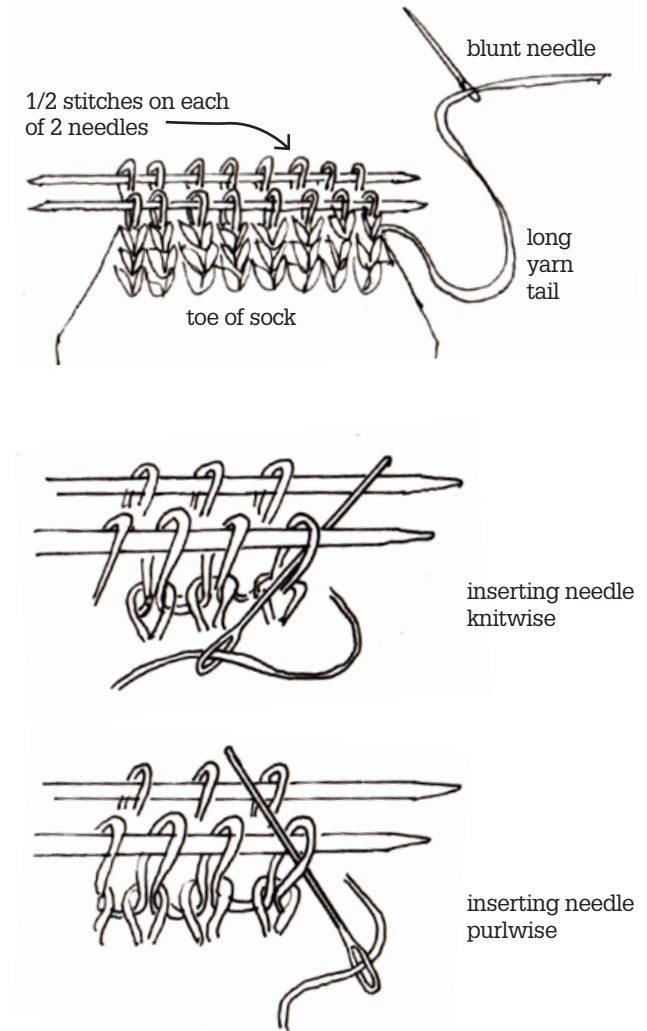

Front needle: knitwise drop off, purlwise leave on,

Back needle: purlwise drop off, knitwise leave on,

Repeat!

At the end of the row, there is only 1 stitch left on each needle. Work steps 1 and 3 once more.

Use a needle tip, or the blunt needle to carefully tighten up the new row of stitches you have created, then weave in your ends and enjoy your socks!
